

Introduction

Welfare and social security activities are carried out as supportive (non-insurance) and insurance services by several government and non-government organizations and centres. However, due to the inaccessibility of data on non-government organizations, this chapter presents only statistical information on services rendered by major government organizations, excluding services rendered by non-government centres supervised by the State Welfare Organization.

It should be mentioned that since the year 1391, the name of the Medical Services Insurance Organization has renamed Iran Health Insurance Organization.

A. Supportive services (non-insurance): Refers to social work, consultative and other social and rehabilitation services provided to satisfy the essential needs of low-income groups and improve living conditions of the socially damaged population and families of martyrs and Janbazan (the war-handicapped). Active organizations concerned are as follows:

1. State Welfare Organization: Prior to the year 1359, a variety of organizations were responsible for providing relevant services over the country. In the year 1359, all the concerned organizations were merged and a new state welfare organization aimed at enhancement of rendering rehabilitation, supportive, and prevention of disability and social problems services and assisting in providing the least basic needs of low-income groups, was formed. The data on welfare activities, prepared by the related departments, have been presented in Iran Statistical Yearbook since the year 1345.

2. Emam Khomeini Relief Committee: This Committee was established in the year 1357 to deal and help with the affairs of the socially-deprived groups. Since the year 1361, statistics on the Committee's activities have been collected and released.

3. Martyr and Devotees' Affairs Foundation: In the year 1383, the Islamic Revolution Martyr's Foundation and Mostazafan and Janbazan Foundation merged to form Martyr and Devotees' Affairs Foundation. The two

Foundations were established in the years 1358 and 1357 respectively to deal with the affairs of the martyrs' and Janbazans' households. Data on activities of these foundations have been available since the years 1370 and 1373 respectively.

4. Red Crescent Society of the I. R. of Iran: The organization with the name of the Iranian Red Lion and Sun Society was established in the year 1301 and renamed Red Crescent Society of the I. R. of Iran since the year 1360. The statistics on its activities have been collected and released in the Iran Statistical Yearbook since the year 1345.

B. Insurance services: These services which are based on the contributions from the insured person, employers and the government, are provided in different forms, including medical, retirement, disability, unemployment, work-connected accidents, death and prenatal insurances as well as family allowance. Organizations active in this area are as follows:

1. Social Security Organization: In the year 1309, workers were insured for the first time against work-connected accidents. By establishing the Social Security Organization in the year 1354, the number of insured groups and types of insurances rose increasingly. Data on this area have been compiled and included in the statistical yearbook since the year 1345.

2. Iran Health Insurance Organization:

The Organization was established according to the General Medical Services Insurance Act approved in the year 1373. Related register data have been accessible since the year 1374. Prior to the establishment of the Organization, the "Medical Services Insurance Act for Government Employees" had been approved in the year 1351 and was enforced by the Ministry of Health in the year 1353.

3. Farmers, Villagers, and Nomads Insurance Fund:

This Fund started to work in the year 1384 in order to provide the public with easily accessible and suitable social insurance services. The statistics of this Fund was first published in the year 1386.

4. Civil Servants Pension Fund

The activities related to retirees' affairs and providing retirement services would be done by ministries and organizations during the years 1301 and 1305; however, statistical data on retirees and pensioners covered by the "Civil Servants Pension Fund" were first released in the year 1350. The Civil Servants Pension Fund was established and started its activity as an independent organization at the beginning of the year 1354.

All the above-mentioned organizations produce statistical data in the form of register data.

1. The difference in the total with other tables of this fund is due to calculation of all people covered by the mentioned fund (retirees and the prolonged disabled, pensioner's heirs and members (employed people with salary deduction).
2. Until the year 1393, the number of employed people with salary deduction were announced based on financial estimation but after launching the employed people system in the year 1394 and completing the needed information, it was decided that the number of the employed people with salary deduction be cited according to the new established system.
3. The total based on individuals includes retirees, prolonged disabled, pensioner's heir, and members (employed people with salary deduction).
4. The total based on cases includes retirees, prolonged disabled, deceased retiree, deceased employed, and employed people with salary deduction (employed and self).
